Congratulations!

Thank you for considering Lake Bomoseen Lodge for your big day!

Lake Bomoseen isn't just a great place to vacation. Dating back to the early 1900s, it became famous for its special occasions & lavish week-long parties hosted by Manhattan's elite. With its pristine water surrounded by wooded hills & undeveloped shorelines, it is not surprising it is now a popular backdrop for modern-day weddings. Our lodge is the only lakeside Bomoseen property offering everything you need to create your perfect day.

Along with four unique ceremony sites, you will also find a newly renovated reception loft, ample lodging & on-site catering. Your guests will find many activities to enjoy while on the property, from our boat rides, tiki boat tours, fire pits, pool, dining, or the golf course next door. We are also close to multiple mountains for skiing, shoe shoeing, sledding & many other winter activities.
